SOUTHERN PROPERTY TO BE THOROUGHLY EXPLORED

At a point 45 miles east of Beatty and five miles south of Tiptit Springs development is being conducted on a group of 16 claims owned by the Mixim Mining company and under the management of John Doser. The company is composed of Santa Monica, Cal., men. The main ledge on the property is said to be 40 feet wide and on a contact between lime and slate. The mineral content of the ore is gold, silver and lead, in the proportion of \$18 per ton in the precious metals and 10 per cent lead. An 18 horse-power gasoline hoist is being shipped from a mine near Rhyolite and upon its arrival and installation sinking will be resumed and lateral development begun.

If it's of exceptional value at the price, it's sure to be advertised in the Bonanza, else the merchant would be hopelessly unprogressive.

RECOUNT MAY BE ASKED FOR AT GOLDFIELD

CANDIDATE FOR JUSTICE OF PEACE SAYS FIGURES DO NOT COINCIDE

John Curry, who was an independent candidate for justice of the peace in this township, says he may have a recount. According to the semi-official returns, Curry received 496 votes to 528 for Judge Arthur E. Barnes and 348 for Adams F. Brown. The returns posted at the polling places credit him with 156 votes in precinct 3 and 96 in precinct 4, instead of the 136 and 91, respectively, given in the semi-official figures. "I left precinct No. 3," he said, "in the morning, with the count still in progress and I then had 139 votes. The other total is taken from the table posted in the window of the Eagles' hall."

The figures from precinct No. 3 published in the Tribune, however, were obtained from Chairman Barling of the county commissioners and Desk Sergeant Mercer of the sheriff's office as the boxes were turned in at the courthouse on the morning after the election. Two copies of the precinct poll were also furnished to the democratic central committee. These were made by election officers and both gave the results as 136 and 91, respectively, Judge Barnes, according to Curry's figures even, would still have the lead.

The official count will not begin until the tenth day after the election and that will be a week from today. It was to that time that the commissioners adjourned last Monday. In Nye county and several other counties that have been heard from, however, the official count is to be begun on Monday.—Goldfield Tribune.

ANNUAL SESSION BAR ASSOCIATION NEXT FRIDAY

PRESIDENT HUGH H. BROWN ISSUES CALL TO MEET IN RENO, Nov. 15 and 16

Hugh H. Brown of Tonopah, president of the Nevada Bar association, has issued the second call for the annual session of that organization. The meeting will be held in Reno on November 15 and 16 and it is believed will be attended by practically every member of the bar in the state who is affiliated with the association.

An interesting program has been arranged for the session. Addresses will be delivered by Nevada members and also by members of the California Bar association. In addition it is expected that a number of important matters will be presented for discussion and action, including proposed amendments to the substantive law and also to the procedure, in addition to the regular annual routine work of the association.

AMUSEMENTS

Butler Theater

At the Butler theater this evening another interesting program of pictures will be shown as follows: Pathé Weekly of Current Events showing interesting scenes from all over the world; "A Woman of Arizona," an Essany western picture; "Sergeant Byrne of the Northwestern Mounted Police," an interesting story of the northwest and a Vitaphone feature entitled "Captain Barnacle's Legacy."

Tonight will be the last night of the "Great Arrow" and Miss Billie Bennett. Both will be seen in an entire change of program.

Tomorrow's feature picture will be "Black Beauty," the story of the life of a horse, showing how he breaks loose from the stables and saves his master's life during a fire and fur-

ther endearing himself to his owner by winning the country stake in a race which fairly makes the blood tingle. The programs today and tomorrow are positively two of the best shown at this house for some time and should be seen by all lovers of good pictures.
